

Most Admired for HR

Top 50 Companies

The following chart indicates the rank order and scores of the 50 companies determined to be most admired in the following four categories of HR-related attributes: People Management, Innovation, Product/Service Quality and Management Quality. Hay Group used *Fortune's* "Most Admired Companies" database to perform this analysis. The list includes U.S.-based companies as well as selected non-U.S. companies with prominent U.S. subsidiaries. Scores represent the combined totals for all four attributes.
